OUR GOALS

The last few years have been tough. Quarantines, war, inflation, so much loss in a year. Our goal is to make a community that spread love, acceptance, positivity, build friendships, but the most important is to feel you are home.

WHY IS IT WORTH TO BUY?

Along with a wonderful and adorable piece of art, Long Neck NFT owners will have access to our close-knit community, exclusive giveaways, contests, various NFT and WL spots, priority in future collections, and more!

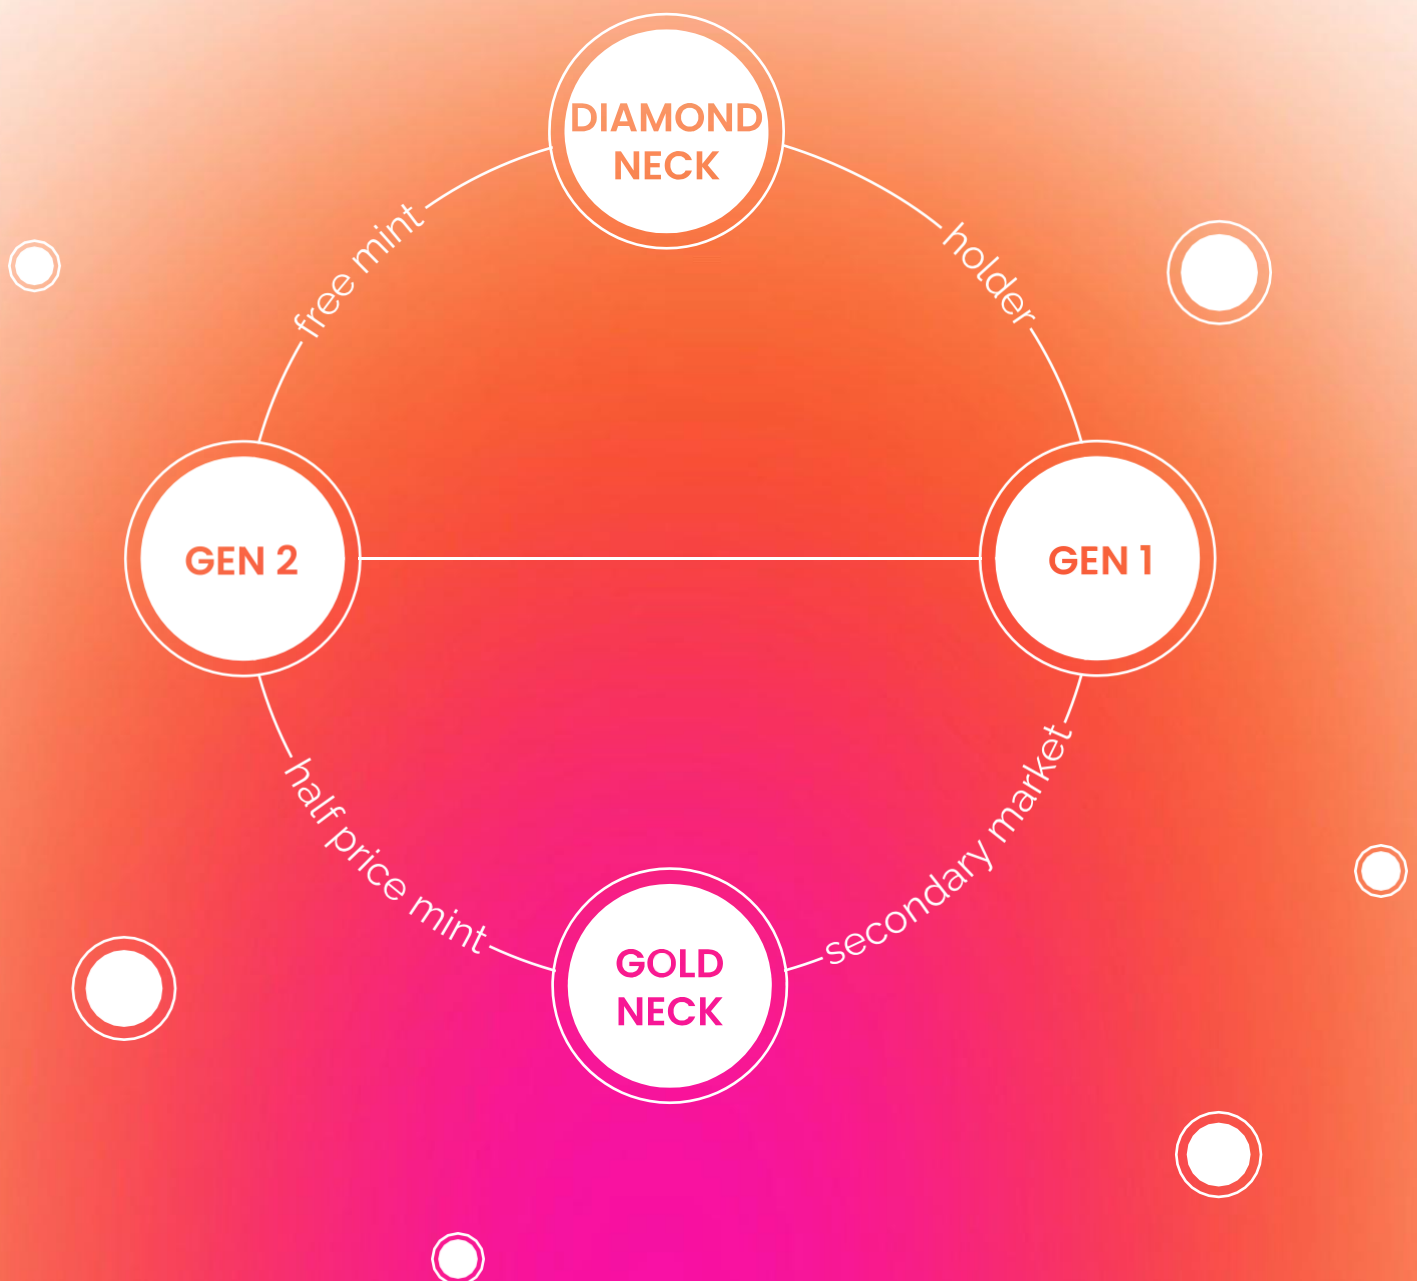

Our project has always focused on creating delightful arts and building a kind community. This will continue to be a focus for us as we explore more opportunities for Long Neck.

Also, the Gen1 Long Neck NFT will bring you the Neck NFT collection by airdropped.
